

# INDEX TO VOLUME 67

This volume of the *American Journal of Orthopsychiatry* is indexed by SUBJECTS and AUTHORS.

## SUBJECTS

### Adolescence

- Evaluating systems of care for children: Utility of the clinical case conference, 554  
Preschool antecedents of adolescent assaultive behavior: A longitudinal study, 422  
Risky sexual behavior among substance-abusing adolescents: Psychosocial and contextual factors, 315

### Adolescent Pregnancy

- Conduct disorder, substance dependence, and adolescent motherhood, 152

### Adoption

- Open adoption and adoptive mothers: Attitudes toward birthmothers, adopted children, and parenting, 576  
Transracial adoptees: Developmental status after 17 years, 568

### Aging

- Predictors of depression among the elderly: Racial differences over time, 48

### AIDS

- Distress and coping among women with HIV infection: Preliminary findings from a multiethnic sample, 80  
Hemophilia and AIDS in married men: Functioning of family members, 470  
HIV-positive and AIDS-infected women: Challenges to mothering, 144  
Multicultural identity and gay men in the era of AIDS, 300  
Risky sexual behavior among substance-abusing adolescents: Psychosocial and contextual factors, 315

### American Orthopsychiatric Association

- President, American Orthopsychiatric Association, 1997-1998, 330

### Behavior Problems

- Conduct disorder, substance dependence, and adolescent motherhood, 152  
Early risk factors for serious antisocial behavior at age 21: A longitudinal community study, 92  
School-based wraparound planning: Integrating services for students with emotional and behavioral needs, 385

### Bereavement

- Exploring the social construction of bereavement: Perceptions of adjustment and recovery in bereaved men, 279

- Parental bereavement: Spiritual connections with deceased children, 460

### Child Abuse/Neglect

- Assessing resilience in adults with histories of childhood sexual abuse, 594  
Child welfare policy and practice: The myth of family preservation, 545  
Effects of legally mandated child-abuse reports on the therapeutic relationship: A survey of psychotherapists, 112  
Foster care's youngest: A preliminary report, 290  
Parental alcoholism and other family disruptions: Adult outcomes among sisters, 585  
Preschool antecedents of adolescent assaultive behavior: A longitudinal study, 422

### Child Custody

- Alcohol abuse and psychopathic deviance in noncustodial parents as predictors of child-support payment and visitation, 70

### Child Development/Rearing

- Drug-abuse prevention efforts for young children: A review and critique of existing programs, 134  
Dyssynchrony, conflict, and resolution: Positive contributions to infant development, 4  
Early risk factors for serious antisocial behavior at age 21: A longitudinal community study, 92  
Is repression adaptive? Relationships to socioemotional adjustment, academic performance, and self-image, 59  
Parental overprotection and its relation to perceived child vulnerability, 330  
Reciprocity in mother-infant vocal interactions: Relationship to the quantity of mothers' vocal stimulation, 645  
Young children's social relationships with siblings and friends, 102

### Child Welfare

- Child welfare policy and practice: The myth of family preservation, 545  
Foster care's youngest: A preliminary report, 290  
Regulatory status of center-based infant and toddler child care, 535

### Chronic Mental Illness

- Attachment representations of personality-disordered criminal offenders, 449  
Benefits of support groups for families of adults with severe mental illness, 187

Foster care's youngest: A preliminary report, 290

Regulatory status of center-based infant and toddler child care, 535

### Chronic Mental Illness

Attachment representations of personality-disordered criminal offenders, 449

Benefits of support groups for families of adults with severe mental illness, 187

- Consumer perspective on the family agenda**, 249  
**Consumer recovery vision: Will it alleviate family burden?**, 210  
**Effectiveness of two models of brief family education: Retention of gains by family members of adults with serious mental illness**, 177  
**Factors associated with subjective burden in siblings of adults with severe mental illness**, 231  
**Families of adults with severe mental illness—The next generation of research: Introduction**, 172  
**Families of adults with severe mental illness: New directions in research**, 254  
**Losing the housing game: The leveling effects of substance abuse**, 618  
**Next generation of research: Views of a sibling-psychiatrist-researcher**, 242  
**Perceived burden among caregivers of adults with serious mental illness: Comparison of black, Hispanic, and white families**, 199  
**Positive parent/adult child relationships: Impact of severe mental illness and caregiving burden**, 220  
**Process and outcome in a hostel outreach program for homeless clients with severe mental illness**, 607
- Community Mental Health**  
**Addressing barriers to learning: Beyond school-linked and full-service schools**, 408  
**Enhancing self-esteem in a community mental health setting**, 655  
**Evaluating systems of care for children: Utility of the clinical case conference**, 554  
**Process and outcome in a hostel outreach program for homeless clients with severe mental illness**, 607  
**Relation of parental affective illness to family, dyadic, and individual functioning: An observational study of family interaction**, 433
- Coping/Resilience**  
**Assessing resilience in adults with histories of childhood sexual abuse**, 594  
**Distress and coping among women with HIV infection: Preliminary findings from a multiethnic sample**, 80  
**Is repression adaptive? Relationships to socioemotional adjustment, academic performance, and self-image**, 59
- Crime/Corrections**  
**Attachment representations of personality-disordered criminal offenders**, 449
- Cross-Cultural Issues**  
**Distress and coping among women with HIV infection: Preliminary findings from a multiethnic sample**, 80  
**Perceived burden among caregivers of adults with serious mental illness: Comparison of black, Hispanic, and white families**, 199
- Day Care/Child Care**  
**Regulatory status of center-based infant and toddler child care**, 535
- Depression**  
**Distress and coping among women with HIV infection: Preliminary findings from a multiethnic sample**, 80  
**Predictors of depression among the elderly: Racial differences over time**, 48  
**Prodromal symptoms of recurrent major depressive episodes: A qualitative analysis**, 308  
**Women's mental health: Some directions for research**, 522
- Diagnosis and Classification**  
**Women's mental health: Some directions for research**, 522
- Disabilities**  
**Toward a restructuring of the schools [Editorial]**, 342
- Divorce**  
**Alcohol abuse and psychopathic deviance in noncustodial parents as predictors of child-support payment and visitation**, 70
- Education**  
**Addressing barriers to learning: Beyond school-linked and full-service schools**, 408  
**Attachment, self-concept, and academic motivation in high-school students**, 485  
**Implementing prevention programs in high-risk environments: Application of the resiliency paradigm**, 363  
**Model mental health programs and educational reform: Introduction**, 344  
**School-based wraparound planning: Integrating services for students with emotional and behavioral needs**, 385  
**Supporting children and families in the schools: The School of the 21st Century**, 396  
**Teacher consultation: Impact on teachers' effectiveness and students' cognitive competence and achievement**, 374  
**Toward a restructuring of the schools**, 342  
**Uneasy alliance of mental health services and the schools: An historical perspective**, 344
- Emotional Disturbance**  
**Evaluating systems of care for children: Utility of the clinical case conference**, 554  
**Relation of parental affective illness to family, dyadic, and individual functioning: An observational study of family interaction**, 433  
**School-based wraparound planning: Integrating services for students with emotional and behavioral needs**, 385
- Ethnicity/Race**  
**African-American homeless and low-income housed mothers: Comparison of parenting practices**, 37  
**Distress and coping among women with HIV infection: Preliminary findings from a multiethnic sample**, 80  
**Homeless mentally ill veterans: Race, service use, and treatment outcomes**, 632  
**Intimate violence in the lives of homeless and poor**

- housed women: Prevalence and patterns in an ethnically diverse sample, 261
- Multicultural identity and gay men in the era of AIDS, 300
- Perceived burden among caregivers of adults with serious mental illness: Comparison of black, Hispanic, and white families, 199
- Predictors of depression among the elderly: Racial differences over time, 48
- Transracial adoptees: Developmental status after 17 years, 568
- Families**
- Benefits of support groups for families of adults with severe mental illness, 187
- Consumer perspective on the family agenda, 249
- Consumer recovery vision: Will it alleviate family burden?, 210
- Effectiveness of two models of brief family education: Retention of gains by family members of adults with serious mental illness, 177
- Factors associated with subjective burden in siblings of adults with severe mental illness, 231
- Families of adults with severe mental illness--The next generation of research: Introduction, 172
- Families of adults with severe mental illness: New directions in research, 254
- Hemophilia and AIDS in married men: Functioning of family members, 470
- Next generation of research: Views of a sibling-psychiatrist-researcher, 242
- Parents of adults with mental retardation living in-home and out-of-home: Caregiving burdens and gratifications, 323
- Perceived burden among caregivers of adults with serious mental illness: Comparison of black, Hispanic, and white families, 199
- Positive parent/adult child relationships: Impact of severe mental illness and caregiving burden, 220
- Retention of gains by family members of adults with serious mental illness, 177
- Relational of parental affective illness to family, dyadic, and individual functioning: An observational study of family interaction, 433
- Family Support**
- Benefits of support groups for families of adults with severe mental illness, 187
- Consumer perspective on the family agenda, 249
- Consumer recovery vision: Will it alleviate family burden?, 210
- Effectiveness of two models of brief family education: Retention of gains by family members of adults with serious mental illness, 177
- Families of adults with severe mental illness--The next generation of research: Introduction, 172
- Families of adults with severe mental illness: New directions in research, 254
- Next generation of research: Views of a sibling-psychiatrist-researcher, 242
- Parents of adults with mental retardation living in-home and out-of-home: Caregiving burdens and gratifications, 323
- Perceived burden among caregivers of adults with serious mental illness: Comparison of black, Hispanic, and white families, 199
- Positive parent/adult child relationships: Impact of severe mental illness and caregiving burden, 220**
- Family Violence**
- Intimate violence in the lives of homeless and poor housed women: Prevalence and patterns in an ethnically diverse sample, 261
- Post-traumatic stress disorder in child witnesses to domestic violence, 639
- Women's mental health: Some directions for research, 522
- Foster Care**
- Child welfare policy and practice: The myth of family preservation, 545
- Foster care's youngest: A preliminary report, 290
- Group Treatment**
- Enhancing self-esteem in a community mental health setting, 655
- Holocaust Survivors**
- Trauma in children of Holocaust survivors: Transgenerational effects, 493
- Homelessness**
- African-American homeless and low-income housed mothers: Comparison of parenting practices, 37
- Homeless mentally ill veterans: Race, service use, and treatment outcomes, 632
- Intimate violence in the lives of homeless and poor housed women: Prevalence and patterns in an ethnically diverse sample, 261
- Losing the housing game: The leveling effects of substance abuse, 618
- Process and outcome in a hostel outreach program for homeless clients with severe mental illness, 607
- Homosexuality**
- Multicultural identity and gay men in the era of AIDS, 300
- Use of alcohol among lesbians: Research and clinical implications, 20
- Hospital Psychiatry**
- Attachment representations of personality-disordered criminal offenders, 449
- Emergency commitment and legislative reform in New Jersey, 123
- Infancy**
- Dyssynchrony, conflict, and resolution: Positive contributions to infant development, 4
- Reciprocity in mother-infant vocal interactions: Relationship to the quantity of mothers' vocal stimulation, 645
- Regulatory status of center-based infant and toddler child care, 535
- Law/Legislation**
- Effects of legally mandated child-abuse reports on the therapeutic relationship: A survey of psychotherapists, 112

- Emergency commitment and legislative reform in New Jersey, 123**
- Regulatory status of center-based infant and toddler child care, 535**
- Learning Problems**  
Addressing barriers to learning: Beyond school-linked and full-service schools, 408
- Mental Health Care System**  
Effects of legally mandated child-abuse reports on the therapeutic relationship: A survey of psychotherapists, 112
- Emergency commitment and legislative reform in New Jersey, 123**
- Evaluating systems of care for children: Utility of the clinical case conference, 554
- Foster care's youngest: A preliminary report, 290
- Mental Retardation**  
Parents of adults with mental retardation living in-home and out-of-home: Caregiving burdens and gratifications, 323
- Mother-Child Relationship**  
Dyssynchrony, conflict, and resolution: Positive contributions to infant development, 4
- HIV-positive and AIDS-infected women: Challenges to mothering, 144
- Reciprocity in mother-infant vocal interactions: Relationship to the quantity of mothers' vocal stimulation, 645
- Mythology**  
Personal mythology and psychotherapy: Myth-making in psychological and spiritual development, 508
- Parenting**  
African-American homeless and low-income housed mothers: Comparison of parenting practices, 37
- Alcohol abuse and psychopathic deviance in noncustodial parents as predictors of child-support payment and visitation, 70
- Hemophilia and AIDS in married men: Functioning of family members, 470
- HIV-positive and AIDS-infected women: Challenges to mothering, 144
- Open adoption and adoptive mothers: Attitudes toward birthmothers, adopted children, and parenting, 576
- Parental alcoholism and other family disruptions: Adult outcomes among sisters, 585
- Parental bereavement: Spiritual connections with deceased children, 460
- Parental overprotection and its relation to perceived child vulnerability, 330
- Positive parent/adult child relationships: Impact of severe mental illness and caregiving burden, 220
- Relation of parental affective illness to family, dyadic, and individual functioning: An observational study of family interaction, 433
- Transracial adoptees: Developmental status after 17 years, 568
- Trauma in children of Holocaust survivors: Transgenerational effects, 493
- Pediatrics**  
Parental overprotection and its relation to perceived child vulnerability, 330
- Physical Illness**  
Distress and coping among women with HIV infection: Preliminary findings from a multiracial sample, 80
- Hemophilia and AIDS in married men: Functioning of family members, 470
- HIV-positive and AIDS-infected women: Challenges to mothering, 144
- Multicultural identity and gay men in the era of AIDS, 300
- Poverty**  
African-American homeless and low-income housed mothers: Comparison of parenting practices, 37
- Intimate violence in the lives of homeless and poor housed women: Prevalence and patterns in an ethnically diverse sample, 261
- Losing the housing game: The leveling effects of substance abuse, 618
- Toward a restructuring of the schools, 342
- Preschool Programs**  
Drug-abuse prevention efforts for young children: A review and critique of existing programs, 134
- Regulatory status of center-based infant and toddler child care, 535
- Supporting children and families in the schools: The School of the 21st Century, 396
- Prevention**  
Drug-abuse prevention efforts for young children: A review and critique of existing programs, 134
- Early risk factors for serious antisocial behavior at age 21: A longitudinal community study, 92
- Implementing prevention programs in high-risk environments: Application of the resiliency paradigm, 363
- Prodromal symptoms of recurrent major depressive episodes: A qualitative analysis, 308
- Supporting children and families in the schools: The School of the 21st Century, 396
- Teacher consultation: Impact on teachers' effectiveness and students' cognitive competence and achievement, 374
- Psychopharmacology**  
Women's mental health: Some directions for research, 522
- Psychotherapy**  
Effects of legally mandated child-abuse reports on the therapeutic relationship: A survey of psychotherapists, 112
- Personal mythology and psychotherapy: Myth-making in psychological and spiritual development, 508
- Research**  
Consumer perspective on the family agenda, 249
- Families of adults with severe mental illness—The next generation of research: Introduction, 172

- Families of adults with severe mental illness: New directions in research**, 254
- Next generation of research: Views of a sibling-psychiatrist-researcher**, 242
- Women's mental health: Some directions for research**, 522
- Residential Treatment**
- Parents of adults with mental retardation living in-home and out-of-home: Caregiving burdens and gratifications, 323
- Schizophrenia**
- Women's mental health: Some directions for research, 522
- School Mental Health**
- Addressing barriers to learning: Beyond school-linked and full-service schools, 408
- Implementing prevention programs in high-risk environments: Application of the resiliency paradigm, 363
- Model mental health programs and educational reform: Introduction, 344
- School-based wraparound planning: Integrating services for students with emotional and behavioral needs, 385
- Supporting children and families in the schools: The School of the 21st Century, 396
- Teacher consultation: Impact on teachers' effectiveness and students' cognitive competence and achievement, 374
- Uneasy alliance of mental health services and the schools: An historical perspective, 344
- Self-Concept/Ego Development**
- Attachment, self-concept, and academic motivation in high-school students, 485
- Enhancing self-esteem in a community mental health setting, 655
- Is repression adaptive? Relationships to socioemotional adjustment, academic performance, and self-image, 59
- Personal mythology and psychotherapy: Myth-making in psychological and spiritual development, 508
- Sexual Abuse**
- Assessing resilience in adults with histories of childhood sexual abuse, 594
- Preschool antecedents of adolescent assaultive behavior: A longitudinal study, 422
- Sexual Behavior**
- Risky sexual behavior among substance-abusing adolescents: Psychosocial and contextual factors, 315
- Siblings**
- Factors associated with subjective burden in siblings of adults with severe mental illness, 231
